

Attestation and Attendance Form/ Schedule

Florida Chiropractic Society – Ft. Walton Beach, Florida February 3-4, 2018 – 20 Total C.E. Hours

Instructions: This document legally attests after signature that you attended and sat thru each class that you initial below, helping you stay compliant with your Florida license and the Florida Department of Health. You should have a carbon copy of this document at the start of this conference in front of you. When you exit the convention for the final time, leave the bottom yellow copy with the FCS and the top white copy you keep. For each session, you must scan in and out and be in a seat during the entire session. When each session begins, and everyone is seated, our staff will come to your seat and scan your badge. We utilize a badge scanning process to help you stay compliant with your license. At the end of each session, our team will scan everyone’s badge out, too. If you leave during a session for a restroom break, etc., we completely understand, but out of respect to your peers and to be compliant with your Florida license, we kindly ask that you return as soon as possible. Our staff will scan you out when you leave and scan you back in upon return, so you don’t miss earning C.E. hours. After the convention, we audit the badge scanning software for the hours you scanned in and out and compare it to your signed attestation form.

You do not have to report your hours to C.E. Broker, we do this for you. After your hours are uploaded to C.E. Broker approx. 30 days after the convention and your certificate is emailed around that time, too. You may go online directly to www.CEBroker.com, set up an account and “self-report” your hours. Their customer support will guide you through the self-report process; however, we suggest you wait for us to do this since it’s included in your registration. To the right of each session below, initial each session(s) you attended and scanned in and out. Add up the C.E. hours that you attest legally to have attended and scanned in and out, then total it. Each day of the convention is 10 C.E. hours. If you have already fulfilled your 13 Florida “required” hours somewhere else and you are sitting through them again this weekend, they count as “general” C.E. hours. **Maximum hours earned from this conference - 20 hrs.** NO ACUPUNCTURE HOURS.
