

Attestation and Attendance Form/ Schedule

Florida Chiropractic Society – Palm Beach, Florida August 12-13, 2017 – 20 Total C.E. Hours

Instructions: This document legally attests after signature that you attended and sat thru each class that you initial below, helping you stay compliant with your Florida license and the Florida Department of Health. Your form is a carbon copy. When you exit the convention for the final time, leave the top copy with the FCS along w your badge and lanyard and the bottom yellow copy you keep. We utilize a badge scanning process to help you stay compliant with your license. For each session, you must scan in and out and be in a seat during the entire session. When each session begins and everyone is seated, our staff will come to you to scan your badge. At the end of each session, our team will scan everyone's badge out, too. If you leave during a session for a restroom break, etc., we completely understand, but out of respect to your peers and to be in compliant with your Florida license, we kindly ask that you return as soon as possible. Our staff will scan you out when you leave and scan you back in upon return so you don't miss earning C.E. After the convention, we audit the badge scanning software for the hours you scanned in and out and compare it to your signed attestation form.

You do not have to report your hours to C.E. Broker as we do this for you approx. 30 days post-convention. After your hours are uploaded to C.E. Broker, your certificate is emailed to you by our organization. You may go online directly to www.CEBroker.com, set up an account and "self-report" your hours. Their customer support will guide you through the self-report process; however, we suggest you wait for us to do this for you since...it's included in your registration. Initial each session(s) you attended that you also scanned in and out. Add up the C.E. hours that you attest legally to have attended and then total it. Each day of the convention is 10 C.E. hours. If you have already fulfilled your 13 Florida "required" hours somewhere else and you are sitting through them again this weekend, they count as "general" C.E. hours. **Maximum hours earned from this conference - 20 hrs.**

NO ACUPUNCTURE HOURS.
